

# Climate vs Weather

Name \_\_\_\_\_

| Climate |  |
|---------|--|
|         |  |
|         |  |
|         |  |
|         |  |
|         |  |

| Weather |  |
|---------|--|
|         |  |
|         |  |
|         |  |
|         |  |
|         |  |

Cut out each box. Glue the boxes on your Climate vs Weather page under either Climate or Weather.

|                              |                          |                          |                      |
|------------------------------|--------------------------|--------------------------|----------------------|
| Sunny                        | Dessert                  | Rainy                    | Coastal              |
| Hurricane prone              | Windy                    | Tropical                 | Hurricane            |
| Normals                      | Forecasts                | Changes season to season | Changes day to day   |
| What you have in your closet | What you wear every day  | Last week                | Last century         |
| Amount of rain last decade   | Amount of rain last week | Sunny days last decade   | Sunny days last week |
